Introducing **Sonja Flynn**

I am a local girl, through
and through!

I was born in Watford,
grew up in Oxhey and
went to school in
Rickmansworth.

The people of this
country need a change,
a real choice for
something different.
That starts at District &
County level; and that is
why I have stepped
forward, to serve the
community I love.

To Do List...

POTHoles

Our roads have been
named as some of the
worst in the country

FLY -TIPPING

A 'Scourge' on our
beautiful countryside

FLOODING

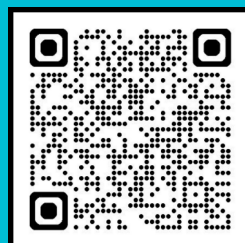

Investment in drainage
systems and flood
defences
